

GLENN CAPELLI'S VOCABULARY

We need to see our life progressing: moving from a meaningful past towards a viable future

LIVE NOW

learn from history
your own and world

skim rocks into the future
consider potential scenarios

TIMEZEN

simply put, it means to have wisdom with time

LEARN FROM THE PAST

KEEP A PRESENT PERSPECTIVE

EXPLORE THE FUTURE

ACTIONS & CONSEQUENCES
Scenario Planning
"WHAT IF?" thinking

The journey back helps us go forward.

what time zone do you live in?

Know your History ←
→ Know your Direction

pessimistic • optimistic
more of the same
• out of the blue!
cows that fall from the sky

The forward flight of the arrow depends on how far back the archer pulls the string

WORKOUT

How many rock throws?

How far each rock throw?

Too many can lead to anxiety or analysis paralysis

Too few can lead to trouble!!

Wisdom lies at the intersection of evaluation and choice. It is not simply a matter of knowing the best answer to a problem or dilemma; it is knowing the best approach to finding the best answer.
